

# WRAP Meeting

3 JAN 2007

# ICING

3 JAN 2007

# Movie Choices

- NASA movie on Icing and General Aviation
- NASA movie on Tail Icing
- We can make copies of these DVDs for you, you've already paid for them (taxes)
- Contact [geoff@knauth.org](mailto:geoff@knauth.org), 326-3822

# Things to Discuss

- When should we have a fly-in in 2007?
- Michael Bush organizing

# Who came?

- Muncy, Danville
- Old Lycoming Township (4)
- Picture Rocks
- Williamsport (5), So. Williamsport, Lock Haven, Linden
- Fairfield Twp.
- Montoursville (2)
- Loyalsock Twp. (3)
- Lewisburg (2)
- Denmark, København (Copenhagen)

# Last Meeting (12/06)

- We talked about fuel (it's expensive here)
- Maybe we could get self-service fuel @ IPT.  
It would cost \$100,000 to start.
- Fuel farm is going to be moved.
- Fly to LHV :-)

# Bob Fredrickson

- Pilots' audio CDs
- How to take ATC hand-offs
- Moving up to other planes
- Getting weather
- Insurance considerations
- BFR review

# New Mall?

- New mall in Fairfield Twp being contemplated
- Are there light issues?

# IPT White/Green Beacon

- Can pilots see it from the air?
- We can write a letter, and call it a safety issue.

# Rwy 12/30

- Maybe we could get it lit between 2230-0630 LCL?
- Kimball Engineering has done studies on the wind at IPT.

# Rwy 9/27

- When Rwy 27 MALS is on medium intensity, Rwy 12/30 lights are off
- We'd have to write a letter, and call it a safety issue.

# When Writing Our Letter

- Make note of how many operations per year we represent

# Website

- For the organization
- For the fly-in
- Shoot some video of the approaches to address concerns about Bald Eagle Mountain (the ridge south of the airport)

# Who are we?

- Williamsport Regional Pilots' Association
- We'll give safety talks, it will count for Wings, eventually...

# FAA Safety Website

• [http://www.faa.gov/safety/](http://www.faa.gov/safety)

# Next Meeting

- First Monday in February (2/5/2007)
