Survey Questions

WRAP is contemplating
two Fly-Outs in 2007.
Please circle ALL that
apply to YOU.

I'd really make an effort to fly along for:

- One
- Both
- Sorry, not interested (I'll skip the other question)

I'm interested in a Saturday or Sunday fly- out centered around:

- Breakfast
- Lunch
- Dinner (including night flight home)

I'd be willing to fly (each way):

- 75 nm
- 125 nm
- 175 nm
- 250 nm

I'd like to fly to:

- A scenic/recreational destination (such as Tangier Island, Luray Cavern, Niagara Falls)
 - Maybe stay the night?
 - Should we ask if trips should be 1 or 2 days?
 - Empty seats for people to ride along?
- An educational destination (such as Potomac TRACON, Smithsonian/Udvar-Hazy, Warbird Museum)

I hope you'll:

- Include kids under 16
- Exclude kids under 16

This year or next year,
we should really fly out
to...
