Minutes of Monthly Members' Meeting
Monday, April 2, 2012**

Treasurer's Report. We have \$1,086.02 and \$20 in cash.

Membership. We're growing and doing fine. Clothing will be distributed on a Saturday morning after Larry gets the clothing from J&S. Larry will send out an email.

Fly-Outs. Sam gave a report on our last fly-out, which was to KPHL and Philly TRACON. We were 23 people, split into groups of eight. We toured the equipment rooms, the radar facility, and the tower. Sam's favorite place was the tower.

Ed reported on where we're going: 21 APR to Sky Manor. He was there two weeks ago. It has a very good restaurant. The recommendation is to do lunch. A week beforehand Michael will send an email requesting a head count. We took a vote: we're doing lunch. Distance is 97 nm from IPT, 106 nm from LHV, just east of Allentown. It's the only Class C in Pennsylvania. The weather call will be made the afternoon prior. Rain date is typically the next day. The Designated Breakfast is 14 APR, Reedsville.

Toronto trip 21 JUL: If you're thinking of going, please stay after the meeting.
