

**Williamsport Regional Association of Pilots  
Minutes of Monthly Members' Meeting  
Monday, October 1, 2012**

**Treasurer's Report.** We have \$2,451.70 in the bank. Add \$35 for Alex's dues.

**Membership.** Alex paid. We have 48 members now!

The Christmas Party will be at The Villa, on Monday, December 3rd. 5:30–6:30 *hors d'œuvres* & drinks, 6:30 dinner. Reply to Larry with meal preference. Cancel 5–7 days prior to dinner.

**Fly-Outs.** Gettysburg. Due to weather, most people drove. Michael and Tara flew in. Nobody cancelled. Some went to the Eisenhower Farm, which was very interesting. Then people went to the Visitors' Center. It was a nice tour. The food at the Herr Tavern was great.

The 9/29 Newark fly-out was cancelled. We should prepare that ourselves next year.

A substitute fly-out may be more fun: Grimes, on October 20. Pristine aircraft from the 1910s and 1920s, on display and flying. Pumpkin bombing. POC is Michael.

The November fly-out is Reading. POC is Marcia.

**Program.** Jim Diehl gave a PowerPoint presentation on the construction of his RV.

Future Programming (Marlin). Get your ideas to any board member. Alan had a great idea: a presentation by Alison Violette of the NTSB on accidents.

NEW BUSINESS

Airport Planning, New Terminal Building. Shovels to be in the ground by June. Michael, Larry, Drake and Tony went to the planning meeting. There will be seven funding sources, if everything goes forward. Permission from county may be required to fund some of it via a revenue bond, but that is not the plan for now. They are planning enough of a set-back to accommodate jet bridges. There will be additional bathrooms in the secure area.

**Adjournment.** The meeting adjourned at 1921 hrs.

**Next Monthly Meeting.** Monday, November 5, 2012

Geoffrey S. Knauth <geoff@knauth.org>, *recording secretary*
